I have chosen the following:

Street planting. I request that a tree (or trees) be planted along the city sidewalk adjacent to the above address. **QTY of trees** requested in this location (subject to location, suitable environment, and tree availability): _____

I am **(circle ONE): OWNER / TENANT** of the above address (if you are NOT the owner, please get the owner's permission and signature below to have a street tree planted at this address).

The area where the tree(s) are to be located are presently **(circle ONE):**

Concrete Asphalt Brick Grass Other (describe) _____

Memorial Tree. I request more information regarding the process to have a tree planted in honor of my loved one.

By signing below, I understand the Fall River Street Tree Planting Program will work with me on the best species of tree(s) for my desired location for a planting. I understand that each planting, the species, and location must be approved by the appropriate City departments and a planting can be denied for any reason. Plantings are done seasonally based on volunteers' availability – special planting dates can NOT be requested. I understand that after the tree is planted, it is my duty to maintain and water the tree(s) to the best of my ability. The FRSTPP will provide an information sheet for tree care prior to planting.

Free trees are subject to availability. If a free tree is not available, FRSTPP will pay half of the cost of the tree and the remaining half will be paid by the individual requesting the tree. We are a non-profit organization and rely solely on fundraisers and donations to continue our mission. **Please consider making a donation to our cause.**
